 Sikar (Rajasthan)

Semester V

Course Objectives:

Modern world history encompasses major global events and transformations from the 15th century to the present. Key areas of study include the Enlightenment, the French and Industrial Revolutions, the rise of nationalism and imperialism, the World Wars and their impacts, the Cold War and decolonization. The syllabus aims to foster an understanding of the interconnectedness of global processes and the diverse forces shaping the contemporary world. It encourages critical analysis of historical sources and the development of informed perspectives on current global issues.

Course outcomes:

By the end of a modern world history course, you will grasp the pivotal events, forces, and ideas shaping our contemporary era from the Enlightenment onwards. You'll analyse major revolutions, industrialization's impact, the rise and fall of empires, global conflicts, and the complexities of nationalism and globalization. Furthermore, you will develop critical thinking skills to interpret historical sources, understand diverse perspectives, and connect past developments to current global issues, fostering a nuanced understanding of our interconnected world.

Semester VI

Course Objectives:

The Rajasthan history graduation syllabus aims to provide a comprehensive understanding of the region's past, from prehistoric times to the modern era. It seeks to familiarize students with key historical sources, major dynasties, socio-economic and cultural developments, and the impact of significant events. The syllabus also intends to develop critical thinking and analytical skills, enabling students to interpret historical evidence and understand Rajasthan's place within the broader Indian context. Furthermore, it aims to foster an appreciation for the rich heritage and diverse traditions of Rajasthan.

Course Outcomes:

A Rajasthan graduation syllabus aims for students to understand the state's historical, cultural, and geographical landscape. Outcomes include knowledge of major historical events, dynasties, socio-cultural aspects, art, architecture, literature, geography, economy, and polity of Rajasthan. Graduates should be able to analyze historical developments, appreciate cultural diversity, and understand contemporary issues within the state's context.
